Reggie Miller, former Pacer great and NBA Announcer was almost the recipient of a petition for order to stop harassment (Restraining Order) Hollywood Street King has just learned. Buss this!!

Former Pacer great and current TNT network NBA announcer Reggie Miller started up a conversation with the fiancée of Alex von Furstenberg, a Malibu resident and surf shop owner locally. Reggie waited for her to leave the local Country Mart then followed her up the PCH begging for future encounters.

I never knew Reggie Miller was a stalker – did you? Thanks to a friend over at TMZ we got our hands on the unfilled restraining order paperwork and a long transcript of text messages between Reggie Miller and Alex V's fiancée (*see below*). Reggie wanted to keep the future meetings on the down lo to avoid Alex V. knowing about it. A review of the text messages shows Reggie relentlessly pursued Alex V's fiancée for three months. Sources close to HSK have also had similar experiences with Reggie and his fast break antics towards woman who are either married, engaged, or have boyfriends.

This is the point in the story where Reggie should have just chalked up his efforts as a loss and moved on. Come on Reg' – once Johnny Law gets involved things become P-U-B-L-I-C RECORD mane! Was the idea of this woman so great that it was worth your reputation?

Alex V went over to confront Reggie, who then called the police. Alex is quoted in the restrainer order request saying, "He (Reggie) said he had friends with guns. He implied I would get hurt if I didn't stop questioning him on his inappropriate pursuit of my fiancee and his attempts to subvert his efforts."

WOW!!

Does the NBA know about this? People loose way more over way less right? Doesn't sound like he'll be announcing for very much longer....Alex V retained Los Angeles's nuclear missile [Ronald Richards](#) ^[2] to clear up the police issue and offensively take Reggie to school. Reggie in turn hired counsel who then contacted Ronald Richards.

HSK contacted Ronald Richards for comment about this story. Ronald "stated that the matter was resolved" and that "he was satisfied with the outcome." We contacted Mr. von Furstenberg as he was finishing some kite surfing and he stated, "I was very upset about Reggie's behavior towards my fiancée. I think people in Malibu share my views that being a famous basketball player should not provide some sort of shield against inappropriate behavior. Reggie sincerely apologized to me on a phone call with Ronald Richards, his attorney, and myself. I cannot comment further on the matter as I believe it has been resolved."

HSK will be looking into these allegations further and thinks that Reggie Miller deserves greater scrutiny in the womanizing department, especially in a family enclave like Malibu.
